

KNOW FLOOD MEMBERSHIP

Get exclusive access to services, education, information and knowledge

As the Massachusetts Coastal Coalition grows, so does our mission to our stakeholders. The MCC has created a membership program to make stakeholders a participating constituent of the organization. Among other benefits, our membership program comes with an annual member meeting, where members have a chance to get to know the MCC, and help determine it's future.

Membership is free, and with a membership, you get access to all of our valuable offerings, which include:

- Access to MCC website downloads
- The MCC "Know Flood News" quarterly newsletter
- Access to past articles, columns, and newsletters
- The "Know Flood Newscast" Podcast and other media offerings
- Education and training
- 1 vote at our annual membership meeting
- Legislative input and updates
- Know flood suite of flood risk services*
- And more

Our membership benefits are always growing, and a complete list is available on our membership page. Become a member today, and experience why you need to Know Flood.

Most of our interactions with stakeholders will require you to become a member. To become a member, visit our website and navigate to the "become a member" tab. Answer a few simple questions, then you're a member! It is just that simple.

The one place to go when you need to know flood

*Flood risk services do not require a membership to use, but you automatically become a MCC member after utilizing one of them.

Our Mission

The mission of the MCC is to educate, advocate, and inform professionals and stakeholders regionally and nationally, on flood hazards.

Our Goals

Goal 1: Keep stakeholders informed of flood hazard issues that may affect their community, industry or organization

Goal 2: To keep clear communication and form partnerships with committees, organizations and government entities to carry out our mission

Goal 3: Represent our Coalition members at local/regional/national events, meetings, and other stakeholder events

Goal 4: Present and distribute educational material relevant to our mission and goals to our stakeholders

Goal 5: Provide educational opportunities and other benefits for our members
